Key Features & Adjustments for Each Age Group

Elementary (K-5)

- **Focus:** Learning through play, storytelling, hands-on activities.
- **Faith Integration:** Light discussions on honesty, generosity, and thankfulness.
- **Black History & Finance:** Age-appropriate lessons on famous leaders and basic money concepts.

Middle School (6-8)

- **Focus:** Critical thinking, project-based learning, real-life application
- **Faith Integration:** Ethics in leadership, justice, and accountability.
- **Black History & Finance:** Research projects and personal finance skills like budgeting.

High School (9-12)

- **Focus:** Independence, career prep, deeper discussions on societal issues.
- **Faith Integration:** Connecting faith to leadership, business, and innovation.
- **Black History & Finance:** Business planning, wealth-building, and learning from Black entrepreneurs.

Why This Works

- ✓ **Only 3 Days a Week** → Efficient, avoids burnout, allows flexibility.
- ✓ **4-Hour Sessions** → Keeps learning focused while allowing free time.
- ✓ **Hands-On Learning** → Includes real-world projects, field trips, and career exposure.
- ✓ **Faith-Based, but Balanced** → Light Christian integration with strong academic and life skill emphasis.
